The Team

Sarah Covington (Event Director)

Sarah is a member of Children Worldwide and is the ministry's Development Worker, with lots of experience of working with children.

Jim Bailey

Jim will be keeping the children enthralled and entertained with his puppetry skills and musical expertise while they are recovering from the physical activity.

The rest of the team is drawn from Children Worldwide members and local churches to organise the food and the activities to make sure it all runs smoothly and safely.

All our leaders are fully vetted and have current CRB Enhanced Disclosures.

Children Worldwide

Children Worldwide has its main office based at Dalesdown and has members working in schools, youth groups and churches across the country and overseas. We aim to present the Gospel to children in a lively and exciting way and provide teaching that is both biblical and contemporary, within a safe environment.
